

# CISR Buy 4 Get 1 Free

IIA of Nebraska members who complete 4 CISR classes can receive their 5th class for free.\*

Only IIA of Nebraska classes apply. Online classes, or those offered by another state **are not eligible**.

The Certified Insurance Service Representative (CISR) is a nationally recognized designation program that has been designed to serve the practical needs of newly licensed producers, customer service representatives, company personnel, and those looking to refresh their product knowledge.

- nine one-day courses to choose from
- each course followed by a 1 hour exam

Participants receive up-to-date information they can apply immediately in their day-to-day interactions with customers, including a complete knowledge of risks, coverages and exposures, cross selling and account rounding skills.

For more information and a list of classes visit our website: [www.ian.org](http://www.ian.org)

## CISR Courses:

- Commercial Casualty 1
- Commercial Casualty 2
- Insuring Commercial Property
- Agency Operations
- Insuring Personal Residential Property
- Elements of Risk Management
- Personal Lines Miscellaneous
- Insuring Personal Auto Exposures
- Life & Health Essentials  
*(Currently only online in Nebraska)*

## Eligibility:

*This offer is available to those students that wish to begin the pursuit of the CISR designation or those currently in the process of pursuing their CISR designation.*

*\*Students must purchase 4 courses and take the corresponding exam, then prior to the 5<sup>th</sup> course; IIAN will provide a discount code for a free CISR course. The CISR designation must be earned within three years from the first passed exam. See [www.thenationalalliance.com](http://www.thenationalalliance.com) for more information on the CISR designation.*

**You must sign-up to be eligible for the free course and IIAN will track your progress for you.**

**Other questions? Contact IIAN for answers.**
