COURSE DESCRIPTIONS

RISE TO THE CHALLENGE OF E&O PREVENTION

INSTRUCTOR CASEY ROBERTS CIC, AFIS, ACSR

E&O claims don't discriminate by the size or location of agencies. All agencies, regardless of staff size, must proactively Rise to the Challenge and address E&O risk management! Over time agencies have had to adapt their operations because of changes in carrier capabilities and workflows, the implementation of tools like upload/download, the elimination of paper in favor of digital documents, the use of digital marketing (websites, blogs, social media, etc.) and comparative raters. This course will review the fundamentals of Errors and Omissions with a focus on prevention steps you can implement in your agency right away.

Qualifies for SwissRe E&O Premium Discount if attended by the right combination of agency personnel
