COURSE DESCRIPTIONS

VITAL PERSONAL LINES ENDORSEMENTS

INSTRUCTOR SAM BENNETT, CIC, CPRM, AFIS, CPIA, CRIS

While the ISO Homeowner's and Personal Automobile Policy forms may seem quite broad in many areas, the unendorsed versions of these policies often contain significant coverage gaps. These gaps can have significant financial implications for the clients we serve. This presentation highlights a number of often overlooked, yet very vital, endorsements that should be discussed with our clients to provide necessary coverage enhancements for their unique needs.

BONDS, SHAKEN OR STIRRED?

INSTRUCTOR CASEY ROBERTS CIC, AFIS, ACSR

Insurance and Bonds, could any two topics be more different? Well, probably. We will make certain that we understand the reasons for bonds, how they work, the different types of bonds and why they are different than insurance all while being an integral partner with many insurance programs.
