# IIAN Foundation Mission – 2009

To **promote the independent insurance profession** to prospective and current insurance industry members through its resources, education, and public awareness.

# IIAN Foundation Vision

To be the premier organization for the **promotion of the independent insurance industry as a profession of choice** for prospective and current agents and other industry professionals.

- The IIAN Foundation offers a **program of scholarships** for potential new industry professionals.
- The IIAN Foundation supports **high quality training and opportunities for potential new industry professionals.**
- The IIAN Foundation promotes a **positive perception of the industry** through public awareness and education.
- The IIAN Foundation supports high quality and timely **higher education offerings for existing industry professionals.**
