ADDITIONAL INFORMATION

& FREQUENTLY ASKED QUESTIONS

LOOKING FOR A NON-TRADITIONAL WAY TO PARTNER WITH BIG I NEBRASKA?

We understand that not every business fits within our traditional partnership tiers but some may still want to seek meaningful ways to connect with us and explore a non-traditional way to support Nebraska's independent insurance agencies as well as our association. If this sounds like you, our **Exclusive Access Partner Program** (EAP Program) might be the perfect fit. While not as expansive in exposure or reach as our standard partnership levels, the EAP Program offers targeted opportunities to:

- Engage in **revenue-sharing** or **referral fee** partnerships.
- Provide **special pricing** or **complimentary benefits** to our members.
- Introduce essential tools, innovative solutions, or niche services that bring direct value to independent agencies or support the association's mission.

The EAP Program is designed to create tailored opportunities for impactful collaboration. Whether through co-branded content or educational offerings, exclusive pricing on services, pilot programs, or specialized support services, this program amplifies your brand's visibility while aligning it with the trusted reputation of Big I Nebraska.

CAN I UPGRADE PARTNER LEVELS AT ANY TIME?

Yes, you can upgrade your partner level anytime! Upgrades made outside your initial sign-up or renewal period will be prorated based on the month you upgrade. However, discounts on total partnership investments and bundling additional sponsorship opportunities are only available during the initial sign-up and renewal windows.

HOW DO DISCOUNTS AND BUNDLING WORK FOR CUSTOMIZING AND ADDITIONAL SPONSORSHIPS?

Partners receive discounts on "Additional Sponsorship Opportunities" throughout the year based on their partner level. However, discounts on total partnership investment and bundling for higher recognition are only available during the initial sign-up or renewal periods. This allows partners to customize their package upfront and secure the best pricing and desired recognition for the year.

New partners can bundle and apply discounts at sign-up, while renewing partners have until January 31st to finalize their package for upgraded recognition. Additional sponsorships purchased after the initial sign-up period or January 31st still qualify for the partner-level discount but cannot be applied to upgraded partner-level recognition. Keep in mind, some sponsorships are limited in quantity and may sell out if you wait too long to act.

WHAT IF MY TOTAL INVESTMENT EXCEEDS THE COST OF A HIGHER PARTNERSHIP LEVEL?

If your total sponsorship investment—including discounts—exceeds the cost of a higher partnership level, you'll be recognized at the higher level for the calendar year. However, your official partnership level will remain the same unless you choose to formally upgrade. Contact our team to explore how upgrading can further enhance your benefits.

CONTENT & ADVERTISING GUIDELINES:

How can I advertise in IIAN newsletters or website?

Partners can advertise in IIAN newsletters, on the Big I Nebraska website, and other platforms offered by IIAN. For a complete list of ad sizes, formats, and costs, refer to the **IIAN Advertising Opportunities Sheet**. *Guaranteed ad placements for your partnership level are communicated 60–30 days before publication or spotlight dates, depending on the format and timeline.*

What is required to submit content for spotlights or features?

Spotlights and features can be tailored to your partnership level and span various platforms, including:

- Blog posts highlighting your services
- Podcasts or video interviews with IIAN staff
- Landing pages or web features with homepage ads
- Social media campaigns or blasts

Content requirements generally include:

- Written content in Word or PDF format (300–500 words)
- High-resolution images (JPG or PNG, 300 dpi minimum)
- Topics relevant to independent insurance agencies

Submission deadlines are typically two weeks before publication but may vary by platform. For guaranteed spotlights, instructions will be provided 60–30 days before your scheduled date.

Where can I find the Advertising Opportunities Sheet?

The **IIAN Advertising Opportunities Sheet** includes all available ad placements, sizes, formats, costs, and submission details (JPG, PNG, or PDF). *Partners receive this sheet upon sign-up or renewal but can also request it anytime.*
