Make Your Voice Heard

Invest In Your Future

**INDEPENDENT INSURANCE
AGENTS OF NEBRASKA**

Now, more than ever before, your voice needs to be heard in Washington D.C and Lincoln.

The Federal government is changing our world – Health Insurance “reform” and commission cuts, Crop Insurance commission caps, individual and corporate taxes, and a broken Flood Insurance program, are just some of the issues which impact us directly. And here in Nebraska, the Unicameral and Department of Insurance make changes that affect our ability to sell insurance and serve our customers – whether it’s workers’ compensation law, implementing Health Insurance reform, licensing laws and fees, or liability issues.

The most important thing the Big “I” does for you is to protect your business and professional interests.

Our talented, experienced lobbyists are there every day – working with member agents to make our voices heard. In fact, the Big “I” is routinely rated as one of the most successful lobbying groups in Washington, and we are the only Nebraska property-casualty agents’ association with professional representation in Lincoln.

... the reality is that even the best lobbyists and effective grassroots action can’t get the job done without our ability to speak with a unified voice through our two Big “I” Political Action Committees – IIANPAC and InsurPac.

It is impossible to over-value the power of a collective, unified voice.

What is InsurPac?

InsurPac is the Political Action Committee (PAC) of the Independent Insurance Agents & Brokers of America (IIABA). It represents the unified political voice of IIABA's 22,000 member agencies and 300,000 agents and brokers nationwide. It is one of the largest property-casualty insurance industry PAC in the country, and is one of the primary reasons the Big "I" is routinely rated among the most successful lobbying groups in Washington, DC. This non-partisan political action committee raises funds for contributions to candidates for national office on behalf of independent agents.

Investments support Federal candidates only.

What is IIANPAC?

IIANPAC is the non-partisan Political Action Committee (PAC) of the Independent Insurance Agents of Nebraska (IIAN). It represents the unified political voice of IIAN's 525 member agencies and over 2,000 agents throughout the state. IIANPAC was established to help assure election of candidates to the Nebraska Legislature who are responsive to the needs of independent agents.

Investments support State candidates only.

IIAN'S Legislative Advocacy Team

IIAN's legislative program is managed by our Legislative/PAC committee, at the direction of the Board of Directors. Committee members meet regularly before, during, and after each Unicameral session to develop and monitor legislation important to Nebraska independent agents. Working with IIAN's professional lobbying staff, the committee actively monitors 35-50 bills each session to advocate your business interests—taking positions, working with state Senators and bill sponsors, testifying before committees, and lobbying behind the scenes.
