Registration Begins at 10:00 am • **\$125 Per Player**
Shotgun Start at 12:00 noon • **Sponsorships Available**

Dear Friend,

As you may know, IIAN and the IIAN Foundation are working together to:

- promote a positive perception of insurance industry careers and the opportunities available in the independent agency system to college administrators and students
- connect college students with independent insurance agencies looking for new talent
- provide scholarship and training opportunities for new talent entering the independent agency system

Over the past year we have communicated with hundreds of college students and professionals, connected students with independent agencies, and developed tools for Big "I" members to help them with recruiting, hiring, and training new talent for their agencies.

Now we're expanding our college network statewide and working to get even more member agencies involved in making the connection with students.

Last year, our 23rd annual golf tournament raised a record \$24,000 – and we're looking to raise \$25,000 this year to develop and expand our Talent Network.

We're calling on industry leaders like you -- who have built successful careers in insurance -- to join the effort. With your help, we can reach our goal, and continue to attract the next generations – your future leaders and employees - to the independent agency system.

Ready to "tee up?"
